In Puerto Rico, God moved mightily with a strong word of indictment followed by a message of hope. At Centro Cristiano de Restauracion in Cabo Rojo, under the leadership of Pastor Alfredo Pabon, 100 intercessors went up to the high mountains to pray over Puerto Rico and to break the strongholds present there. The battle raged during our time there, but God had the ultimate victory, with many people healed, delivered, and coming to Christ.

There's so much. God moved through four years of radio ministry in our program Divine Appointment. Many of you are still on the mailing list and supporters of MCM because of that outreach.

The Board decided to terminate the radio ministry in order to launch our web site, www.marycraig.org. This decision increased our media outreach worldwide and has resulted in much fruit for the Lord, as many of you can attest. People contact us, email, visit Craighouse, and even

make plans to move here to sit under this apostolic and anointed ministry.

As we were faithful to go to the nations, the Holy Spirit expanded the call to regions, seas, and then the continents. In November 1999, we were commissioned to go to the continents to call the nations to resurrection. We began with Brazil in South America in March 2000. After distributing clothing and toys to families along the Amazon River system, we found ourselves by the power of God on the platform of Ministerio Internacional da Restauracao under Pastor Rene Terra Nova in Manaus. The Holy Spirit moved powerfully as we called in the nation and Pastor Terra Nova led the people to intercede for Brazil and South America. The other continents followed, culminating last year with mission trips to Australia, Asia, and

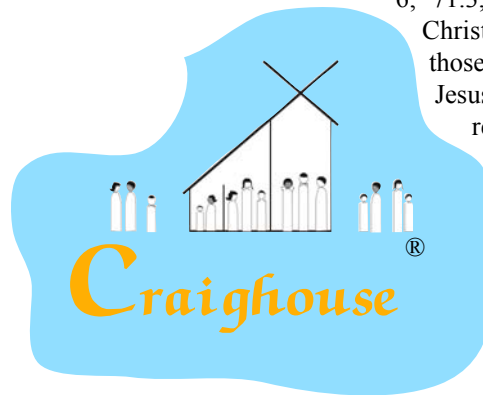

finally Antarctica.

We still have six nations left on "the list." Our next target nation is Zimbabwe. This nation is one we believe the Lord has targeted for breaking the strongholds of the curse. He wants to bless that nation. Already, we are encouraged by the prayers and results of those prayers in Zimbabwe.

In addition to mission trips, conferences, media ministry, and publications, the Lord allowed us in 2002 to move out with the vision of Craighouse. Craighouse as a Christ-serving refuge is based on scriptures of God as refuge and rock (Deuteronomy 33:27; Ruth 2:12; 1 Samuel 22:2, 3; Psalm 9:9: 31.2, 3; 46.1; 62.2, 6; 71.3, 7; 91.2, 4; 94.22). It is a

Christian community refuge for those seeking help and hope in Jesus Christ. It exists to offer refuge, times of refreshing, and restoration to the spiritually orphaned and wounded of the Christian community in an atmosphere of grace. It aspires to minister the resurrection power of Jesus Christ through worship, witness,

the Word, and the Holy Spirit to those God brings to its door. Craighouse purposes to present the truth of Christ in a paradigm for living by the Word and by the Holy Spirit. The name "Craig" is an ancient Scottish name originally given to the peoples who dwelt among the highland rock clefts and crags of Scotland. Craighouse is an appropriate name for a place of spiritual refuge.
